Dear Parents/Carers,

Deferment of fees

In this time of great uncertainty of what the future holds for all of us. I want to reassure you that our top priority is to keep educating your children and uppermost on our minds is the welfare of our families.

The Board has generously agreed to the proposal that until this crisis has passed, we will defer school fees for those facing financial hardship.

We would be most appreciative to those families who are still in a position to do so, to continue paying. If you are unfortunately one of the many affected by the loss of income, we will be placing a simple deferment of fees form on the website for you to fill in and return to me.

If we stand together as a school community, we will get through this. Please be re-assured that we will continue to support you and your family every step of the way.

Keep safe and I pray God's blessing upon all of you.

God Bless
