

*Ps: 119: 105 Thy word is a lamp unto my feet, and a light unto my path.*

28 April 2020

Dear Parents /Carers,

Welcome back to a very different Term 2. In my last letter to you, I said that we would be doing online learning for the 1<sup>st</sup> two weeks of this term.

We have had to re-evaluate this with the changing directives. Tomorrow will be online learning, please bring your head/ear phones, and depending on the number of students attending school, we may revert to the normal timetable as early as Thursday. Work packs will be prepared for those who choose to keep their child/ren at home.

This decision will be made and communicated to you tomorrow when we have a better idea of how many students are physically at school.

Please be aware that at this stage the primary school playground is closed and cannot be used before and after school. Please could you also refrain from gathering in the car parks.

Please note the timetable for tomorrow has changed to an 8:30am start – please see updated times on website.

With regards to the loaned school computers, until we have a formal day for signing computers back in, the computer will remain the responsibility of the student. If the student is attending school the computer needs to be fully charged for the beginning of the day and taken home at the end of the day for charging.

We are looking forward to welcoming back and teaching your child/ren again.

God Bless
