Contextual information about the school

With our foundation firmly built on Biblical beliefs, values and discipline, our passion is to reach the hearts and inspire the minds of the students who join our Christian educational community. Our intent is to provide a truly Christian environment where students can grow, develop and discover their God given purpose and potential. It is our belief that when students have supportive and caring family and the School environment is shaped by Biblical norms and values, achieving personal, educational and academic excellence is possible.

Enrolment Policy

The School's enrolment policy is not academically selective. The School caters for a wide range of academic abilities, including students with special needs who need either Support or Challenge and Extension programmes. We strive to create a sense of community and purpose in the School, endeavouring to get students, staff and parents to work together to ensure that all students have the opportunity to achieve their potential.

Pastoral Arts and Sports programme

We believe that the strong pastoral care, Arts and Sports programmes which we offer, help our students become engaged with the School, allowing them to achieve their potential in our academic programme.
